JED S. RAKOFF, U.S.D.J.

On May 23, 2008, Courtroom View Network ("CVN") requested that the Court issue an order permitting it to record and provide audio-visual coverage of the trial in the above-captioned action, which was scheduled to begin on June 11, 2008. The Court would have been predisposed to grant the application and, at a hearing held on May 27, 2008 on defendant's motion for summary judgment, both sides indicated that they did not oppose the application. See transcript 5/27/08. However, the Court has now granted summary judgment, see Order dated 5/29/08, and accordingly no trial will transpire and the application is therefore now moot and denied as such.

SO ORDERED.

JED S. RAKOFF, U.S.D.J.
